Q.3 Now I'm going to read you a pair of statements. Please tell me which statement you agree with more.

Putting youth under the age of 18, who are charged with or convicted of crimes, in adult jails and prisons makes them MORE likely to commit future crimes than if they were placed in a youth facility.

OR

Putting youth under the age of 18, who are charged with or convicted of crimes, in adult correctional facilities makes them LESS likely to commit future crimes than if they were placed in a youth facility.

Q.8 Now I'm going to read you another pair of statements. Please tell me which statement you agree with more.

Instead of a rigid policy for determining when youth are tried in adult courts, judges should make the decision on a case-by-case basis after a hearing, and take into account the seriousness of the offense and circumstances of the individual child.

OR

When a youth is charged with a serious offense, the decision to try a youth in adult court should not be discretionary. For some crimes, youth should automatically be charged as adults and tried in adult courts with no exceptions.

Which statement do you agree with more?
